Below is a cleaning checklist for your reference. Please note that all personal items must be moved out of the unit upon day of move out.

Kitchen:

- Wipe down inside and outside of all cabinets + door knobs
- Clean inside and outside of all appliances. Replace stove drip pans
- Scrub countertops and backsplash.
- Wash sink / faucet. Remove hard water stains
- Clean hard flooring surfaces and vacuum
- Unplug refrigerator

Bathroom(s):

- Wipe down inside and outside of all cabinets.
- Scrub bathtubs and showers. Remove hard water stains
- Clean mirrors
- Wash sink / faucet. Remove hard water stains
- Wipe down vanity.
- Wipe down baseboards.
- Clean flooring
- Clean toilet. Inside + outside. Remove hard water stains

Living room & Bedroom(s):

- Dust ceiling fans.
- Wipe down doors and frames.
- Vacuum carpets

All rooms :

- Clean any hard surface flooring (hallways etc)
- Wipe down baseboards.
- Windex all windows (interior only).
- Clean window -door sills / tracks
- Wipe down all handles, blinds, and light switches.
- Wall scuffs
- Replace lightbulbs + smoke alarm batteries
- Dust blinds
- New furnace filter
- Sweep out patio / storage / garage
- Dust return grills. Can be located on the wall / ceiling or stairs.

Fine stainless steel wool works great to remove hard water stains. Use pumice stone for toilets. Allow one to two days for cleaning.
